The background of the entire page is a light blue, semi-transparent image of a city skyline. Overlaid on this is a large, dark brown, rounded hexagonal shape. To the right of this shape is a vertical rectangular inset with rounded corners showing a close-up of a green excavator's bucket dumping a pile of brown soil or sand against a bright blue sky with white clouds. The sun is visible in the lower right of this inset, creating a lens flare effect.

CONTACT DETAILS

Who We Are?

DL Investment CC was recently founded with a vision to share in the vastly growing construction industry in Namibia and be one of the leading contractors in Africa.

DL Investment CC core values of integrity, commitment, dedication and strive for client satisfaction are the key for success in this market.

DL Investment CC staff expertise varies in all fields required in the construction projects with blend of experiences and cultures which forms homogeneous work teams to deliver the requirements according to the best safety and quality standards.

Our team members are highly respected for proven expertise and capabilities in their respective specialties and recognized for proven histories of award winning, ahead of schedule, and within budget completions on major projects.

The company employs top construction personnel with expertise in the respective fields and keen to introduce and incorporate latest technologies as we evolve and have well formulated plans to expand company's operations further.

DL Investment CC is born to serve the client's needs in the best and efficient way and translate its vision to reality in the market.

What We Do?

DL Investment CC is uniquely positioned in Windhoek, Namibia as a highly respected and qualified construction company with a focus on high end front of house fit-out projects. For almost 7 years now, we have been creating successful projects for the world's most prestigious brands.

Our work has positioned DL Investment CC as the preferred construction company when budget, schedule and quality targets must be achieved.

We are a strong firm with loyal customers from western countries and around the world.

We maintain strong and growing relationship with regulatory authorities, contractors and suppliers both in Namibia and internationally.

VISION STATEMENT

DL Investment has been established to provide construction solutions for the major clients involved in the critical projects in the country leading to have long lasting relationships and reliable reputation in the market and allow for future expansions and development to be one of the top contractors in the region.

We bring success to our clients, continuous contribute towards enhancing their corporate value, care for people and deliver results through innovation.

To be Namibia's premier construction and consulting company

MISSION STATEMENT

To deliver the highest level of quality service while maintaining the highest level of professionalism with our clients. We are fully committed to supporting the Harambee Prosperity Plan in providing employment to the youth, as well as contribute positively to the economy of Namibia.

Where & How We're Different?

To deliver the highest level of quality service while maintaining the highest level of professionalism with our clients. At Icon Projects, our highly reputable values are the building blocks of our company vision, promising a pursuit of professional excellence in every project we complete.

We are fully committed to supporting the Harambee Prosperity Plan in providing employment to the youth, as well as contribute positively to the economy of Namibia.

Our solutions are supported by our deep insight into various industries and diverse yet extensive experience acquired over the years from supporting our clients as partners in their business transformation.

Not to mention that we have a lineup of experienced specialists and provide unique, reliable and practical comprehensive service in each offered service.
